Support those personally impacted.

ACT

DECADE OF ACTION FOR
ROAD SAFETY

2021 - 2030

Act by advocating and implementing evidence-based actions to end this crisis on our roadways.

On Saturday, November 15, 2025, and in the weeks leading up to this day, communities in the United States and across the globe will join together to honor those who have been injured or lost their lives in traffic crashes.

Anyone who has been a traffic crash victim or lost a family member should attend and bring a photo.

This day offers a powerful time for remembrance, healing, and community support.
